To whom it may concern,

I highly recommend for Dynamic Services LLC. In 2016, I worked with Ms. Tolson to gain certification in Adult and Pediatric First Aid/CPR/AED for 19 employees. Ms. Tolson provided excellent knowledge and professionalism throughout the entire process.

Ms. Tolson is passionate about the work and about people. I always felt that she had my agency's best interest at heart.

I was extremely satisfied with Dynamic Services LLC work product and would not hesitate to use them again in the future.

Sincerely,
